

"Glorifying God by working together to establish reproducing Churches focusing on unreached peoples of the world"

Jan 15, 2019

Dear Friends,

It is another year and we look forward to what God is going to do through our united efforts in His kingdom work.

Receiving a Certificate of Appreciation

God is Faithful

January 7th, 2019 marks 30 years of missionary ministry in Suriname. All we can say is that God in His grace has chosen us to do His work and He has been faithful and good to us all these years. You have been part of what God has been doing in and through our lives and ministry. We count it an honor and privilege to have you as partners. To God be all glory for He has done marvelous things in all these years. We are delighted to be where He wants us and to do what He wants us to do. Thanks for standing with us in caring, praying, and giving generously. *Pray that God will continue to use us to do greater things for Him in the years to come.*

Empowering Nationals to Multiply

Hindustani leaders

Guyanese leaders

Guyanese leader

Our present and continuous purpose for the future is to engage, enlist, equip, empower, and release faithful and competent leaders in the association of churches to make and multiply disciples which would result in the establishing of indigenous churches in Suriname. These and others are some of the leaders we are seeking to help in reproducing themselves.

Javanese leader

We are looking forward to spending the next 10 years on the mission field, Lord's willing, to work on finishing well. Our purpose is to continue to empower and equip nationals to multiply disciples and establish reproducing churches. *Pray that God would enable us to partner and empower nationals effectively to carry on and finishing the task.*

Reaching out with the Gospel

Satchin & Family

Marilva, a young Javanese lady married to a Hindustani messaged me to have her child dedicated to the Lord. I have never met her, but I met her husband once and connected with him on Messenger in the past. Without hesitation we dedicated the baby. We are seeking to build relationship and reach out to this family.

Sharing at a Small Group

Improve to Serve

Gurudatt has attended World Team's Americas Conference in Orlando from January 14-20. The theme is "Getting Started at Church Planting." *Pray that Gurudatt will use what he has learned to serve effectively in empowering nationals.*

Primary Ministry Goals for 2019

- Meet with a core group of nationals to pray regular for the ministry needs.
- Interact and teach national pastors in small groups to build and strengthen their marriages and resolving conflicts.
- Teach the DBS to the Clevia church with the goal of starting small groups.
- Mentor and teach Perakash and His wife from Centrum Baptist Church bi-monthly to lead a Discovery Bible Study in his community.
- Participate in bi-monthly Meetings with National Church Board to engage, encourage, and challenge them to make disciples among the Hindustani.
- Enlist and equip Hindustani believers to start 2 small groups.
- Visit national churches weekly to mobilize workers for ministry to equip and release.

Thanks for your continual prayers and support. May God bless you and grant you the desires of your heart.
